CLASSMATE DEADLINE

8th of each month, all social news to the Social Editors (listed above). Other copy c/o The Editors, Box 1073 or Box 2424.

Published at no cost to the U.S. Government by W. T. Lee Printing Co., 529 Hartnell, Monterey, California. THE CLASSMATE was originated and previously edited by the wives of the students of the General Line and Naval Science School. It is now sponsored by the Officers' Wives Club of the U.S. Naval Postgraduate School. Material and opinions contained herein are those of the publishers and are not to be considered an official expression of the Department of the Navy. Because of its function as an unofficial medium for the Officers Wives Club, advertisements in this publication do not constitute an endorsement by the Department of the Navy of the products or services advertised. Copyright 1960.

COVER NOTE

The Classmate wishes to thank the Photo Lab of the USNPGS for the photos on the cover this month which have added greatly to this Welcome Aboard issue.

from the editor's pen

It is with a great deal of pleasure that we offer OUR welcome to the new students and their families.

We hope that you will find the Monterey Peninsula as enchanting as most of us have and that your residency here will be both profitable and enjoyable.

The Postgraduate School will appear a complex labyrinth of buildings, people, activities and studies for the first few weeks. The transition from your previous duty to a student family initially will be difficult. But, in a short time, everyone will find his own niche and this will become another enjoyable tour of duty, learning new things, seeing new places and meeting new people.

This issue of *The Classmate* is known as the Welcome Aboard Issue and in it, we have attempted to acquaint you with not only the school, but with the Peninsula as well.

There is a wealth of things to do and see and we have tried to cover most of these happenings, dwelling not only on the Postgraduate School activities, but on those offered by our environs as well. Admittedly, some coverage is brief, but we are merely presenting an introduction to a many sided coin . . .

We think you will find that one of the most important attractions of the area is the friendliness and cordiality between the local civilian population and the military personnel. To many this will be a refreshing and most welcomed change. In fact, this facet of the Peninsula life has almost become a "tradition." Welcome Aboard.

Thank You!

The Classmate wishes to express their sincere appreciation to Barbara Walden for giving freely of her time, effort and talent to the pages of this magazine, both as Advertising Director and as an artist.

During her association with *The Classmate*, she has indeed been an asset and our best wishes are extended as she departs the Postgraduate School.

This issue has come to you through the combined efforts of many people. We would especially like to thank the Photo Lab for their time and patience in obtaining a good deal of the pictures seen throughout *The Classmate*.

The Monterey Peninsula Herald and the Chamber of Commerce were of great help with the assistance they gave to the Peninsula article. We are grateful.

And of course . . . heartfelt thanks to our advertisers for making this the biggest issue ever.

And . . . bless you, our husbands, for your patience and understanding.

THE EDITORS

PRESIDENT'S MESSAGE

Gloria Melville

On behalf of the Naval Postgraduate School Officers Wives Club, I extend a warm and hearty "Welcome Aboard" to all the wives of incoming students. Your wives club is here to acquaint you with the area and help keep you active and happy while your husbands are studying! So . . . as soon as you find it convenient, do come join us. As the old saying goes, "Many hands make light work."

Unfortunately, we will soon be losing a very gracious and charming lady. Our own Mrs. Dornin is leaving for San Diego. However, before she leaves, we will honor her with a tea on July 25. We feel this will be an opportunity for all of us to personally thank her for the generous help she has given the club.

It's not too early to start your plans for the formal Autumn Ball. This gala social event is planned for October. Your Ball Chairman and Co-chairman will be Mary Rivers and June Whittaker. As you can well imagine, they will need many willing hands. Anyone and everyone interested in helping on a committee please call either June Whittaker, FR 2-4418, or Mary Rivers, MA 4-5742.

I would like to call your attention to a window display (near the Bali Room) of a variety of silver and brass objects d'art bearing the official Naval Postgraduate School emblem. With the approval of the School, your club has voted to handle the sale of these items. Chairman is Katie Bowen, FR 5-7672. Her committee will be happy to take all orders.

Again, "Welcome Aboard" to the new wives. I am looking forward to meeting you at a series of Get Acquainted Coffees which are being planned for early August.

And . . . to all wives, remember this is your club. Suggestions, ideas and help can make it a better club.

See you at the next function.

OFFICERS WIVES CLUB

The Card Party meeting of the Officers Wives Club held June 20 proved to be a huge success. Over a hundred wives gathered in the Bali Room for an evening of bridge, etc.

Before the card playing commenced, a 20-minute color movie featuring the Postgraduate School and the Monterey Peninsula was shown and enjoyed by everyone.

Tables were set up by the hospitality committee prior to the arrival of the wives; therefore, everyone quickly began playing after the movie. Play progressed rapidly and soon the prizes were awarded.

Joan Phillips, high score

The bridge prize winners were: First, Mrs. Joan Phillips; second, Mrs. Terry Swanke; low, Mrs. Joyce Malikoff; slam, Mrs. Betty Smith; and deuce, Mrs. Ginger Ralston.

First door prize was won by Mrs. Phyllis Edmunds and second by Mrs. Nancy Akins.

Mrs. Melville announced that there will be a farewell tea for Mrs. Dornin, July 25, 2 to 4, and that all wives are cordially invited to attend.

It was most gratifying to see so many of the recent arrivals and we look forward to seeing them again soon.

—Louise Benson

Ginger Ralston, deuce; Betty Smith, slam

OWC COMMITTEES

CLASSMATE COMMITTEE

The post of *Classmate* Chairman is a one year term. They shall edit and be responsible for the publishing and distribution of the club magazine "*Classmate*." All persons interested in any phase of magazine publishing, please call the Editors, Bobbi O'Connor, 624-7692, or Ellen Winkel, EX 4-1336.

* * *

PROGRAM COMMITTEE

The Program Committee is responsible for planning entertainment for the monthly Officers Wives Club meeting. In addition to this, they also arrange space for meetings to be held and special equipment, such as a public address system.

Some of the past entertainment has included an artist's demonstration, fashion shows, a Christmas decoration demonstration, presentations by the California First Theatre, a hair styling show, and speakers on subjects ranging from home decorating to missionary work in the Orient, to mention a few.

We hope to have programs to interest many wives in the coming months. Tentative plans are being made for a Steinbeck Theatre party, luncheon, an international program, the Olio by the California First Theatre and fashion shows.

Our committee always welcomes a helping hand and we are particularly interested in those wives who would like to model or help with fashion shows.

Jo Marbott, Chairman, FR 5-7418

* * *

ACTIVITIES COMMITTEE

The Activities Committee arranges for the social, cultural, educational and athletic activities for the wives. They also keep posted on the Officers Wives Club bulletin board all activities currently available. The Activities Chairman appoints a chairman for the Arts and Crafts window across from the Silk Horse Lounge. Also, have coordinators for each activity offered so people inquiring can get as much information as they need to sign up for classes.

Sue Simmons, Chairman, FR 2-8601

* * *

MEMBERSHIP COMMITTEE

The Membership Committee accepts registration fees for membership in the Officers Wives Club of the U.S. Naval Postgraduate School. The Membership Chairman appoints a chairman to handle the card index information cards of members of the Club. They distribute, collect, and count voting ballots at meetings. The Membership Chairman announces the results of said ballots.

Norma Jean Camacho, Chairman,
FR 5-5067

KO JAI MAN COMMITTEE

The Ko Jai Man Chairman is in charge of all correspondence pertaining to the orphan. This includes writing a letter to the orphan each month and writing to the Foster Parents' Plan when necessary. The Ko Jai Man Chairman also works with the International Committee when needed.

Ko Jai Man was born May 19, 1946, in Kunsan, Cholla Pukdo, Korea. His father died in 1948 leaving mother and child destitute. One day, shortly before the war began, the mother disappeared. Jai Man's grandfather, who had been living with the family, found a job as a gardener but was soon discharged because the boy was not welcome there. He then let Jai Man enter the orphanage in Kunsan, in 1954. In March of 1955, the grandfather died and Jai Man became a ward of the Foster Parents' Plan to be "adopted" by the Engineering Wives Club of the Postgraduate School in the fall of 1955. Upon the merger of the clubs, the aid has been continued and will continue until May 1964, when Ko Jai Man will be eighteen years of age.

Ko Jai Man is now 17 and completed his third and last year of Middle School in January of this year. In the last letter from Jai Man he told us of applying and passing the examinations for a technical school. We are presently waiting to hear the amount of the entrance fee for the school so that we may decide whether to send him or not. If the amount is not too great, Jai Man can learn a skill about radio or photography with no additional fees required.

Although somewhat difficult to write to a boy whom we have never met, and who has no conception of what our life here is like, it is quite interesting and rewarding to know that we of the Officers Wives Club are helping this boy. What is so little effort on our part is molding the future of Ko Jai Man.

Shirley Gardella, Chairman, 375-3772

* * *

HOSPITALITY COMMITTEE

The Hospitality Committee is available at all club functions to greet guests and members, answer questions, and attempt to make everyone feel welcome. It is also the committee's responsibility to make name tags, room and table decorations for each meeting. These are planned around the theme set by the Program Chairman. In addition Reservations and door prizes are handled by Hospitality.

Anyone with ideas and/or a flair for art and decoration will be welcomed as a member of this committee. With such a large club and a rather rapid turn over of membership, the Hospitality Committee keeps on its toes. It is the hostess group for the Officers Wives Club.

Mary Rivers, Chairman, 624-5742

OWC COMMITTEES - Continued

COURTESY COMMITTEE

The Courtesy Chairman is responsible for extending courtesies of the Officers Wives Club in cases of death, accident, serious illness, and lengthy hospitalizations. These courtesies are extended to students, staff officers, faculty members and to their immediate families.

Flowers are sent to the services when death occurs to a student, member of the faculty, staff officer or to their wives. Sympathy cards are sent when death occurs to other than a member of the immediate family.

The Courtesy Chairman is also responsible for sending thank you notes to people who donate their time and services to the Officers Wives Club.

Telephoning honorary members and the advisors of the club to notify them of meetings. Write invitations to new students' wives when necessary and write other invitations and thank you notes that might occur.

Margaret Cornett, Chairman, 372-5216

* * *

NAVY RELIEF LIAISON

My primary duty is to represent the Chairman of Women Volunteers at all General Board Meetings of the "OWC," and to keep the wives club and its members apprised of what is going on in Navy Relief.

I also spend Wednesday mornings in the Tower Room. The purpose of this is to help the Chairman of Women Volunteers keep the volunteer workers' cards up to date and to prepare gowns and sashes for distribution.

Jackie Varnadore, Chairman, FR 5-9273

* * *

WELCOME ABOARD COMMITTEE

The Welcome Aboard Chairman appoints hostesses for the various areas of the Peninsula and coordinates their activities. She arranges for a Calling Committee and a Visiting Committee to welcome each wife soon after her arrival. The Welcome Aboard Committee sends letters of welcome to the wives of prospective students and other officers ordered to the U.S. Naval Postgraduate School.

Gloria Borden, Chairman, FR 2-1912

* * *

PUBLICITY COMMITTEE

An interest in art can be well used on publicity committee as there is a need for five poster artists each term. This is but one facet of this committee. Fliers are also sent out and artists are needed for this job. Coming events are sent to radio stations, the Monterey Herald and to the Point Sur Naval Facility as well. The publicity committee is also in charge of the Wives Club scrapbook which accurately records all the events of the OWC.

Dona Lee Clare, Chairman, FR 2-9139

INTERNATIONAL COMMITTEE

"Join the Navy and See the World" applies to other Navies as well as the United States Navy. Throughout the year many students and their wives from countries around the world come to the Postgraduate School. Our International Committee members give each visiting wife a warm welcome, and hope that when she returns to her native country her memories of us and the United States will be as happy as ours are of her visit with us. Navy wives have a common bond that overcomes any language barrier, or the ability to speak a foreign language. We welcome anyone with a friendly smile to join the International Committee and have the privilege to know our sister Navy wives from other countries.

SO THAT NO WIFE IS OVERLOOKED

—All section leaders' wives are requested to contact the International Committee if the wife of an International student is in her section.

Welcome Aboard

After much anticipation and preparation for your husband's tour at the Postgraduate School, at last you have arrived on the Monterey Peninsula. We "old timers" are very happy to have you join us, and we hope that in the weeks ahead you will come to realize the essence of the simple phrase "welcome aboard." We greet each of you with a personal visit. In this article and throughout the magazine, it is our desire to provide you with some helpful information and delightful reading.

Once classes have begun for your husband, we plan a series of small coffees to introduce you to other Navy wives in your area and also to the activities of the Officers Wives Club of the Naval Postgraduate School. Look for the pink flyer! Also, be watching for information concerning the Wives Club meetings the third Thursday of each month.

Following is some information you may find beneficial:

Commissary—The commissary is always of prime concern, and since the Navy does not have one here, we use the facility at Fort Ord. The main store is located just inside the 10th Street Gate which is situated on State Highway 1. Its operating hours are:

Monday Closed
Tuesday-Friday 1000-1730
Saturday 0900-1500

You are expected to bag your own groceries and take them to your car unless you ask for a bag boy. Children are not permitted in the commissary. However, there is a nursery for babies and children under eight directly adjacent to the store. Both the bag boys and the nursery attendant operate on a tip basis. Unless it is near the first of the month, there is seldom a long line. If you do encounter a line and you wish to purchase 10 items or less (any number of an identical item counts as one), you may proceed to the desk, present your ID card, and shop, provided you do not use a cart. There is also an express check-out line. Special cuts of meat may not be ordered in advance.

There are commissary annexes at Fort Ord and the Presidio in Monterey. At Fort Ord ask directions at the gate. At the Presidio follow the sign indicating Post Exchange. These annexes carry bread, dairy products and other items necessary for quick meals. They are open daily and their numbers are: Fort Ord, 242-3695 and the Presidio, 242-8405.

Child Care Centers—At the Postgraduate School the center is located in Building 222, the West Wing of Herrmann Hall. Children must be at least six months old. The hourly rate is 30 cents for one child, 20 cents for each additional child, and \$1.00 maximum charge per family.

Hours are:

Monday-Thursday 0900-1700
Friday 0900-0130
Saturday 1730-0130
Sunday Church hours only

Nurseries are provided at Fort Ord off Ninth Street in the area of the hospital and at the Presidio in Building 234. Children between the ages of three months and 10 years are accepted. Fees are comparable, but hours of operation are more extensive than those at the Postgraduate School.

Navy Exchange—Most activities are centrally located in Building 301 on Fleming Road. Hours are:

Retail Store:

Monday-Friday 0930-1630
Saturday 0930-1300

Barber Shop:

Monday-Friday 0830-1700
Saturday 0900-1300

Students receive priority from 1100-1300

Monday through Friday.

Laundry, Dry Cleaning, Cobbler and Tailor Shops:

Monday-Friday 0745-1645
Saturday 0930-1300

Laundry is picked up on Tuesday and returned the following Tuesday. There is a regular three day dry cleaning service. The Tailor Shop offers repair, alterations and pressing. Shoe repair requires 24 hours.

Navy Exchange Office:

Monday-Friday 0815-1630

Cashier:

Monday-Friday.....0930-1200, 1500-1600

Information and application regarding Exchange Privilege cards may be obtained from the Navy Exchange Office or the Cashier.

Other Navy Exchange activities located elsewhere include:

Snack Bar and Fountain—Herrmann Hall, West Wing, Main Dining Room level, between rear of dining room and second deck. Hours are 0715-1515, Monday-Friday. When the swimming pool is opened, a snack bar is provided there also.

Main Cafeteria—Basement of King Hall. Hot plates, salads, sandwiches and beverages are available from 0730-1545, Monday-Friday.

Service Station—Fifth Avenue just off Sloat Avenue. It is open from 0900-1700, Monday-Friday and from 0900-1300 on Saturday. Complete auto service and accessories, tune-ups, brakes, etc., and case beer are available.

Army Exchanges—At Fort Ord the Main PX, the Tot 'n Teen Shop and the Garden Shop are located along 2nd Avenue.

The Main PX carries adult clothing, cosmetics, records, jewelry, and has a Self-Serv-

WHAT DO YOU HEAR FROM MARS?

USNPGS Amateur Radio Club officials, Professor W. C. Smith, K6DYX, President, and LCDR John K. Boles, WA6ULM, Vice President pose at the operating positions of the club's radio station.
U.S. Navy photo

To an amateur radio enthusiast MARS means the Military Affiliate Radio System. Sponsored by the three services to encourage technical and operational preparedness among civilian Hams, the MARS programs also provide a unique morale service. Perhaps you have at some time received a radio message sent "Via MARS" from friends or relatives stationed overseas. Literally thousands of radiograms and radiotelephone connections are handled free of charge through the MARS networks. The Navy MARS program was initiated in January 1963. The Army and Air Force programs are of much longer standing.

The amateur radio station at the Naval Postgraduate School has been assigned the Navy MARS call, NRSH and maintains schedules with 12ND headquarters at Treas-

ure Island. The station is also licensed by the FCC as a military recreational unit and operates on the amateur frequencies using the call WA6YGV. Besides recreational use by licensed amateurs aboard, the station facilities are also available for experimental work and for demonstration purposes in the Electronics curricula. A radio club has been formed to organize activities for special occasions such as Armed Forces Day and the annual Field Day of the American Radio Relay League. Classes for those wishing to qualify for an amateur operators license are conducted from time to time.

Navy and civilian personnel attached to the school and who hold an amateur license are invited to contact LCDR J. K. Boles or Prof. W. C. Smith for information on future activities.

RADM CHARLES K. BERGIN TO BE NEW SUPERINTENDENT OF THE POSTGRADUATE SCHOOL

RADM Charles K. Bergin, now Commander of the Operational Test and Evaluation Force (Norfolk, Virginia) will assume the duties of the U.S. Naval Postgraduate School's Superintendent later this summer.

It is with a great deal of pride that we offer our welcome to ADM and Mrs. Bergin and we are looking forward with pleasure to introducing them in the next issue of *The Classmate*.

The Classmate is distributed through the Student Mail Center and Central Files. The magazine usually comes out during the first week of each month. If you are not getting your copy, check first with your husband, then the Editors, EX4-1336 or 624-7692.

Child Care Center

The Child Care Center, located on the first floor of the west wing of Herrmann Hall, has been caring for children of military personnel since March of 1949. At this time, the center was under the control of the officers of the Open Mess with a supervisor in charge. During 1949 and 1950, the center was operated only during the school months of March to December. In May, 1951 the center opened under the Navy Exchange for continuous service to the present time. Now operating the year 'round, the Child Care Center cares for an average of 500 babies and children a month. There are eight rooms in use at the center—reception and office, playrooms, nurseries, and lunchroom.

Approximately 20 workers, on split schedules, keep the work of the center going during scheduled hours.

Persons eligible to use the Child Care Center:

- a. Members of the Armed Services.
- b. House guests of the above accompanied by the host when application is made for use of the nursery.
- c. Priority is extended to Navy and other military personnel attached to NPS or NAF.

The following rules have been established to aid in the operation of an efficient nursery:

- a. Only children over 6 months of age may be left at the Center.
- b. Parents must leave an address with telephone number where they or an alternate may be reached in case of emergency.
- c. Under no circumstances will sick children be admitted. The nursery is not equipped or staffed to care for handicapped children requiring constant individual at-

tention. No medications will be administered to any child.

d. Children using the nursery after recovery from a contagious disease must have a medical clearance certificate. This may be obtained from the Navy Dispensary or a civilian physician.

e. Babies (children through 18 months):

(1) Sufficient formula, baby food, diapers, and diaper container must be left at the nursery. Each container (bottle, bag, or can) must be clearly marked with an adhesive strip bearing the baby's full name. Milk will be accepted only in correctly labeled baby bottles.

(2) It is recommended that all diapers be lined with paper diaper liners. Children will be checked regularly for changes.

f. For convenience in removing children from the nursery at night, it is recommended that they be brought to the nursery properly dressed for bed with adequate outer clothing (robe, slippers, etc.) for protection against cold when entering and leaving.

g. Children will be fed lunch between 1200 and 1230 hours and supper on the evenings the nursery is open, between 1730 and 1800 hours. Bottles will be given when needed.

h. Children will be given a snack free of charge at 1030 and 1430.

Reservations are required for the evening hours only. Call FR 2-2255.

Special hours of operation may be arranged with the Navy Exchange Officer by sections, clubs, or groups. Two days prior to the desired date, an indication of the number of children expected to attend will be forwarded to the Child Care Center Director.

RATES AND HOURS:

a. Hours of operation:

| | |
|-----------------|---|
| Monday | 0900-1700 |
| Tuesday | 0900-1700 |
| Wednesday | 0900-1700 |
| Thursday | 0900-1700 |
| Friday | 0900-0130 |
| Saturday | 1730-0130 |
| Sunday | Church hours only unless prearranged |

b. Rates:

(1) Hourly:

| | |
|---------------------------------|----------------|
| First child | 30c per hour |
| Each additional child in family | 20c per hour |
| Maximum charge | \$1 per family |

(2) Others:

(a) A 30c charge will be made for each meal served per child.

(b) A 10c charge for disposable diapers.

(c) A 30c charge to feed babies when they have to be given baby food.

(3) Overtime: A penalty charge of \$2 per hour, or fraction thereof, for each family left beyond scheduled closing time will be made.

When children are signed in, we must have complete name and location of one parent. Please make out name tag, available at the desk, and attach to child.

The Supervisor on duty is authorized to refuse admission to any child because of illness or misconduct. In the event either case develops after the child has been admitted, the parent will be required to remove the child upon the request of the Supervisor.

The Nursery Staff is making every effort to operate a competent, pleasant nursery for your convenience. In order to accomplish this, your full cooperation is needed. Suggestions for improvement are welcome and may be submitted in writing to the Navy Exchange Officer.

ABOUT RETARDED CHILDREN

The Gateway Center, a Training and Vocational Center for Retarded Children, is now under construction at Hilby and Mescal Streets in Seaside, California.

The heart of a community will be mirrored when the first retarded child enters this building for training and understanding help.

Several Navy families have helped the Monterey Peninsula Council for Retarded Children and their Board of Trustees of the Gateway Center to make this project a reality.

scale model of the then unnamed center and a plaque which noted the work she had done as the "Housing Chairman" of this Center. Shirley devoted her two years of time here in order that this training center might take its place in this community. It is to the credit of this Navy wife that her own retarded child would not benefit from her efforts because of the temporary community status which is accepted as a normal part of our Navy life.

The Tollgaards were assigned to the Coronada Naval Air Station in June 1962, and

structure known only to her as a set of proposed building plans.

It is not possible for everyone to understand the plight of a family with a retarded child. Chamber of Commerce brochures do not as a matter of practice, list facilities or services available for retarded or other handicapped children. It is suggested to our readers that they peruse the informational material received by them prior to or following location at this station. Schools, public and private, golf courses, bowling alleys, beauty shops; services large or small are listed; EXCEPT public and private classes for retarded children. This excusable oversight will be remedied in part by the publication of this information in this issue of

Artist's conception of the Gateway Center

Joseph Real

In May 1962, Shirley Tollgaard, wife of LCDR E. M. Tollgaard, was feted at a testimonial dinner. She was presented with a

Shirley recently returned to the Peninsula for a few days to take part in the ground breaking ceremonies which would begin the

The Classmate.

President John F. Kennedy issued in January 1963 a statement which has focused national attention on the needs of the mentally retarded. The Kennedy family understand the necessity for more concern in this field and have worked for many years to create interest in programs and research for retarded children and adults. The President's Panel on Mental Retardation has just completed a study which determines some of the basic steps communities can and should take to provide adequate facilities and services needed by the retarded.

The Monterey Peninsula Council for Retarded Children, which is the local member unit of the National Association for Retarded Children, is obligated to determine community needs for these children and to foster interest in expansion of present facilities as well as providing when possible the programs necessary in their community.

A California State Law concerning retarded children was divided into two parts. The first part was called "Point 1" and determined the status of children termed "educable" or those children with an intelligence quotient approximating a score of 50 through 75 on tests which use the score 90 to 110 as normal. The second part of this law was termed "Point 2" and determined the status of retarded children called "train-

able" or those with an intelligence quotient of approximately 20 through 50. This has resulted in the use of the terms "Point 1" and "Point 2" by parents and professionals in describing programs in the state of California. Parents of retarded children are conditioned to hearing their children classed as "educable," "trainable" or "dependent." The dependent child is that child which usually needs institutional care because of the time involved in his care. In California, Point 1 programs are mandatory by law and required of school districts. Point 2 programs are "permissive" and can be undertaken by the County Superintendent of Schools at the request of the Board of Super-

this information can be obtained by calling the office of County Superintendent of Schools Edwin Coffin at 132 West Market Street, Salinas, California. The telephone number is 424-0655 and is a long distance call. These two offices can provide information on all school programs for handicapped children.

The Gateway Center is expected to provide services not available in the public school system at this time. School programs reach those children eligible by age to participate in existing programs, usually between the ages of 7 through 18. Families with retarded children need guidance and help before and after this age period, since a retarded child remains a child mentally

Retarded Children in accepting this obligation will need all the help they can get. The Gateway Center adopted its name from the description of Seaside, known as The Gateway City of the Monterey Peninsula. Children entering this Center might hopefully move from an existence of discouragement to an opportunity for individual dignity. Persons with a background in crafts, music, art or other skills will be welcome to come to the center and impart this knowledge to a child just waiting for the opportunity of a new interest.

At the present time the most important task for members of the Board of Trustees of the Gateway Center and the Monterey Peninsula Council for Retarded Children is

A firm foundation

visors, and under their direction. It is hoped by parents in California that the permissive Point 2 program will soon be made mandatory by law and a bill has been introduced to the Legislature to receive this consideration.

Navy families coming into this community should be aware of the facilities available for retarded children. We sometimes require this information ourselves or know someone coming at a later time who might benefit from this information. There are few persons today who can truthfully say that they "have never seen or heard about" a retarded child. A nudge in memory or the recollection of a discussion will bring to mind someone who "must have been retarded." The interested and informed service family can be an asset to their temporary community as well as a comfort to friends with a retarded child.

The Monterey City Schools have Special Education Classes for the "Educable" (Point 1) Retarded in Elementary, Junior High or Senior High age groups. A call to Mr. Lloyd Swanson, the Coordinator of Special Services at 372-7111 will provide information on this program.

The Monterey County Department of Education administers the program for the "Trainable" (Point 2) retarded child and

ABOUT RETARDED CHILDREN — continued

many civic and social organizations on the Peninsula. The Bing Crosby Foundation has provided \$16,000 for the Building Fund, and the Monterey Peninsula Volunteer Services, known for its exceptional community work, has held a "Flea Market" which added \$4000 and also benefitted "Children's House" which is a residential care center for mentally retarded and emotionally disturbed children, located in Carmel Valley. The Monterey Lions Club, The 20-30 Club and the Seaside Quota Club, to name just a few, have all made sizable donations to this project.

Membership in the Monterey Peninsula Council for Retarded Children is open to all persons interested in working to help provide better programs and care for the retarded. Meetings are held at the New Monterey Neighborhood Center on Lighthouse Avenue and Dickman Street in New Monterey at 8 p.m., the third Monday of each month. These meetings include programs of interest and current educational films on mental retardation.

Parents and professional persons find that the Council has an exceptional library of information on retardation and related neurological disorders. Mrs. Donald Morton at MA 4-7420 is happy to help in this interest.

Local, state, national and international information on facilities, education, institutions, and all subjects related to the mentally retarded can be obtained by a call to the Council office number, OL 9-4287. The current president of this organization is Mrs. Lester Borchers.

New parents can join the "Parent Assistance" sessions held on the second Tuesday of each month at the home of Mrs. Donald Cuthill. Mrs. Cuthill can be reached at EX 4-2390. There is always a professional person at these sessions to provide advice and guidance in a particular problem.

Civic and Social organizations can schedule a speaker or film for a program meeting.

A monthly newsletter is published which digests current material of local, state and national importance in the field of mental retardation.

The Monterey City Recreation Department co-sponsors with the Council, a Summer Camp program which started on June 17 and continues on a weekly basis throughout the summer. This program costs \$9 per week and there are some "camperships" available for children who would not otherwise be able to attend. Information on this program can be obtained by calling Mrs. Eula Triplett at EX 4-3050.

Members and their friends are kept busy during the year. A booth is operated at the Monterey County Fair and a concession stand is manned at the June and October SCRAMPS races. A circus has been sponsored for the past two years and will take place again in August at the Monterey Fair-

grounds.

In recent months a "spark" which is building into a "fire" has been provided by Chaplain John J. O'Connor of the Naval Postgraduate School. Father O'Connor joined with Monsignor J. J. Ryan of San Carlos Church in Monterey to provide religious instruction for twenty retarded children. Five of these children recently received their First Holy Communion. Father O'Connor is helped in this effort by our own Navy Wives who volunteer their time to teach the children once each week. The class is in short recess at the present time but will resume on July 11 at 4 p.m. at the San Carlos Parish Hall in Monterey. Information on this class can be obtained by calling the Chaplain's office or San Carlos Church Rectory.

Father O'Connor and friends

Parents recently enjoyed participation in the Psychology Lecture series which included two sessions on mental retardation, and Father O'Connor also invited Sister Miriam Auxilium of the Sisters of the Holy Family College in San Francisco to talk with parents and instructors. Sister Miriam is the recipient of the Apostolic Blessing of Pope John XXIII for her devotion and work with the mentally retarded. San Francisco also named Sister Miriam as a "Woman of the Year" for 1963.

Certainly the dignity and compassion needed by retarded children will be nourished in this present enlightenment. We hope this article might help YOU to a better understanding for the child or adult rejected by thought or thoughtlessness for too many years. In May 1963 it was noted by this writer that there were 14 known Navy families on the Monterey Peninsula with a retarded child. Unfortunately, other retarded children will be born and other service families will need the help of programs being planned now. You can be the friend of a family faced with an enormous challenge and RETARDED CHILDREN WILL BE HELPED.

LEST WE FORGET!

The Classmate comes to you each month through the continued support of our advertisers. We can show our appreciation by patronizing them and mentioning their "ad."

When you go in, just let them know—"you saw it in *The Classmate*."

Officers' Christian Union

In this Welcome Aboard issue of *The Classmate*, we in the Monterey Chapter of the Officers' Christian Union would like to offer to all of you, newcomers and "hang-overs" alike, a sincere invitation to participate in our activities. During the past academic year the regular attendance at our weekly Bible Study Meetings has more than doubled. This healthy rate of growth has resulted as more and more officers and their wives have found these times of spiritual and social refreshment satisfying a definite need in their lives. We are all students, too, from almost every curriculum; and we have plenty of other things to study—just as you will. Nevertheless, we have found that taking a couple of hours out of each week to consider the Bible seriously and to fellowship together has been good for us, and we're anxious to share these good things with you.

Our meetings are held at 2000 (8 p.m. for you wives and others with a similar civilian orientation) in the homes of the group members. Central in each meeting is an hour of Bible discussion, guided by one of our members, and aimed at finding out what the Bible has to say and how its truths apply to us and our problems—today. Some who attend have been studying the Word of God for their whole lifetime (so it seems). Others of us are recent beginners, so everyone is really welcome—especially beginners. To find out where the meeting will be held on any particular Friday evening, just call LT Ross Olson at FR 2-8475. Then come on out and join us!

Of interest to you wives who will be looking for a worthwhile outlet for the attention and companionship that is completely wasted on the backs of studying husbands are the Wives' Bible Study Groups. These have been meeting on three different week nights and will continue to be held on whichever evenings prove to be the most convenient for you. To get more information on these meetings, call Dorrie Eckels at EX 4-3089, Myrna Dozier at FR 2-7494, or Betty Olson at FR 2-8475. You should be able to find one of these gals at home whenever you decide to call, in spite of the freedom for wives sponsored by the Officer Students' Midnight Oil and Baby Sitting Association.

Special events, in addition to the regular meetings, include dinner meetings (90 people attended the last one) and two weekend conferences each year. These conferences are

OCU Dinner Meeting

held in the beautiful Santa Cruz Mountains only an hour's drive north of Monterey, and are planned to include the entire family.

Bible Study Group

In the past year a number of Christian Navy wives formed a Non-denominational Bible study group, which met in various homes in La Mesa Village one night a week. It proved so successful that eventually it was broken up into three separate groups.

The month of June has taken away many of the ladies who participated in these studies, but it is hopeful that the new July class will bring many wives who would be interested in delving into the Word of God.

During the past few months, our particular group used a booklet entitled "A Gracious Woman Retaineth Honor . . ." (Proverbs 11:16), using the Bible as our textbook. We covered many stimulating subjects, such as: The Marriage Relationship, Children and Discipline, The Christian Woman's Responsibilities and Priorities, The Lordship of Christ, The Christian Home, etc. The blessings and experiences we were able to share with one another were most rewarding to us personally, and glorifying to God.

The meetings will continue throughout the next year, and anyone desiring to attend these Bible studies will be more than welcome. For information regarding time and place of the meetings, please call Betty Olson at FR 2-8475, or Mel Kenaston at FR 2-6563.

By Mel A. Kenaston

U.S. LADY FEATURES

THE MONTEREY PENINSULA

The June issue of the U.S. Lady magazine has the Monterey Peninsula twice-blessed.

Our gracious First Lady of the U.S. Naval Postgraduate School, Mrs. Marshall E. Dornin was selected as U.S. Lady-of-the-Month for her high qualities of "selfless devotion to her family, her service, her community and country."

In an interesting article about Mrs. Dornin, Mary Dana Rodriguez painted a lovely picture in words of a woman we feel we know well through her friendliness and genuine interest in both the students and their wives.

In the same issue, the Monterey Peninsula was selected as Post of the Month featuring articles about the Postgraduate School, Fort Ord and the Army Language School.

These articles, written by Dorothy Murphy, Anne Underwood and Claire Frahler, gave a vivid picture of a "place steeped in the frenetic history of California." The articles cover all aspects of the Peninsula from golf courses to Monarch butterflies as well as an extensive outline of the Postgraduate School, Fort Ord and the Army Language School.

A hearty "well-done" to the ladies who made this possible with their keen interest and literary talents.

THE US NAVAL POSTGRADUATE

The old Del Monte Hotel, built in 1880 to cater to the fanciful whims of the elegant ladies and regal gentlemen of the gay nineties, has taken its rightful place in the archives of lavish hostelryes ne'er to be forgotten.

With accomodations for 400 guests and delightful diversions abounding, the Del Monte Hotel became a beautiful rendezvous point for the wealth of the world.

The interior was the beau ideal of the day. Within its walls were rooms expertly

finished to the tastes of a prince or diplomat, of which there were many. Dining areas, parlors and gift shops were done to the utmost in taste while an art gallery contained masterpieces of the finest type.

Besides the elegance of its spacious interior, the grounds, lighted by gas lamps were examples of the finest in landscape architecture. As well as its beautiful gardens, the hotel boasted such luxuries as a magnificent golf course, one of the first in this country, fine tennis courts, scene of the annual Pacific Coast Championships, spacious stables, an expansive race track and magnificent swimming pools, one of which, titled the "Roman Plunge" is still in use today.

In 1943, the Del Monte Hotel was leased to the U.S. Navy and was used as a pre-flight school. From that time until 1951, the Navy held an option to buy and in December of 1951, the Del Monte Hotel, purchased for \$2,149,800, became the United States Naval Postgraduate School.

Herrmann Hall

U.S. Navy photos

West Wing

A tour around the campus will most likely seem like an alpha and omega. The main hotel building is now Herrmann Hall, housing the Superintendent and central administration offices. The Quarterdeck was once the main desk of the old hotel while the wings of Herrmann Hall now house offices, classrooms, a nursery and the BOQ.

Herrmann Hall has, however, retained much of the flavour of the bygone era by maintaining the formal gardens and objects d'art. Part of the spacious lawns is now a putting green utilized nearly every day by students. Modern touches have been added

SCHOOL - MONTEREY, CALIFORNIA

here and there to give us the cafeteria and Bali Room as we know them today. The Trident Room and Copper Cup Room have remained more or less the same. The old Del Monte Lake is as it was then, there to add just another gracious touch to the surroundings.

Near the east wing of Herrmann Hall you will find the "Roman Plunge" mentioned earlier with the finest in equipment including modern showers and a Sauna Room.

The quarters for staff officers were once guest cottages and have kept much of the original architecture intact. Near most of these quarters and all over the campus, you will find the unusual oak trees laden with woodpecker holes where these colorful birds store acorns for a "rainy day."

The tennis courts are still in use and provide relaxation for many students and their wives. One court is located to the east of the "Roman Plunge" while the other is situated along Middle Road leading to

tensive library with adequate facilities for both study and research.

King Hall, the auditorium used on occasion by the Postgraduate School Little Theatre, with a seating capacity in excess of 1100, has seen many outstanding productions

staged there. In the basement of King Hall is a small cafeteria serving many students each day.

The Crews Barracks and General Mess, which are side by side near the Del Monte gate, serve the many enlisted men aboard.

Woodpecker Tree

Herrmann Hall.

But, the new stands alongside the old. The latest in architecture can be seen by looking at Spanagel Hall located just inside the 9th Avenue gate. Spanagel houses many classrooms and laboratories as well as a computer center and a clock that keeps time by utilizing the rotation of the earth. Its esplanade is used for many events such as graduation and various other ceremonies.

In close proximity are Halligan, Bullard and Root Halls all containing laboratories, classrooms, offices and conference rooms. Contained also in Root Hall is quite an ex-

THE US NAVAL AIR FACILITY

The U.S. Naval Air Facility, Monterey, California, under the capable leadership of CAPT W. E. Craven, Jr., recently celebrated its 20th birthday. The U.S. Naval Auxiliary Air Station, commissioned on May 24, 1943, has grown by leaps and bounds in its brief

20 year history. The number of personnel, planes and the number of various activities have increased to the point where they are not only an important air facility but also an outstanding one.

At the present time there are 28 Officers,

440 enlisted personnel and 51 civilian employees aboard the Air Facility as compared with 12 Officers and 101 enlisted men in 1947.

At the present time there are 44 aircraft aboard the Naval Air Facility for the purpose of maintaining the proficiency of the pilots attending the U.S. Naval Postgraduate School. There are 12 T2As (jets), 11 T28s (propeller planes), 20 TC45Js (Beachcraft) and 1 helicopter.

No matter how small we may be, the men stationed here in the past and presently have helped to make the U.S. Naval Air Facility, Monterey, one of the outstanding bases in the U.S.

The U.S. Naval Auxiliary Air Station, Monterey, California, was officially commissioned on May 24, 1943. At that time, the station had as its mission the administering, operation, maintenance and training of Fleet Units and personnel. This was accomplished by establishing increased repair facilities

which changed the station from Class "D" to Class "C," providing a Torpedo Unit aboard the station for the purpose of conditioning and reclaiming torpedoes dropped in the torpedo range. In November 1944, a ground training unit was established for the training of aircrewmens and pilots. The mission was carried out until October 1945, when the station was ordered disestablished. On November 1, 1945, the station was put in a caretaker status and remained so until it was reactivated in November 1947. The mission then changed to that of providing aircraft and air facilities to maintain flight

MONTEREY, CALIFORNIA

proficiency of aviators attached to the U.S. Naval School (General Line), Monterey, California.

In August 1954, the Naval Air Intercept Training Facility, Point Pinos, was made operational under the administrative control of the Commanding Officer of the Naval Air Facility, Monterey, and coordination control of Commander, Naval Air Bases, Twelfth Naval District.

In July 1956, the current mission of the Naval Air Facility was received. This mission is "to maintain and operate facilities and provide services and material to support the aviation requirements of the U.S. Naval Postgraduate School, Monterey, California, and to support operations of those activities and units designated by the Chief of Naval Operations."

The Naval Intercept Training Facility, Point Pinos, terminated air operations on November 10, 1961, in accordance with Twelfth Naval District directives. Preserva-

tained in the base library, which is open to all-hands. A stereophonic outfit with earphones has been installed in the library also. Records are provided or personal records may be brought to the library and played. The library is open 0800-1130, 1300-1630

and 1830-2200 except during movies.

The U.S. Naval Air Facility is under the military command of the Commander, U.S. Naval Air Bases, Twelfth Naval District, and under the management control of the Chief, Bureau of Weapons.

Releasing a weather balloon

tion of equipment was conducted and Point Pinos was placed into inactive status early in 1962 by Chief of Naval Operations.

The Naval Air Facility today has many missions in addition to its primary mission of U.S. Naval Postgraduate School support.

To promote physical fitness, varsity basketball, softball and bowling teams have been organized and compete in the Monterey Leagues. Intramural teams have been set up among the various divisions aboard which participate in softball, bowling, basketball, football, etc.

GENERAL LINE AND BACCALAUREATE

Editor: Jo Lofton

Reporters: Sherry Britton, Peggy Bough, Eleanor Carleton, Kay Case, Emily Childs, Rena Coughlin, Dolores Hallett, Lois Hulson, Dru Lewey, Elaine McConnell, Jo Schlank, Roberta Smith, Barbara Taylor, Yolanda Veloso, Nancy Walker, Claudia Wilson, Bonnie Rains

Missions accomplished, degrees in hand, DAB1 June graduates have bade farewell to their fellow section members who will linger until August. A farewell party on May 11 in the Trident Room honored those graduating and departing: John Anthony, Gil Boggs, D. L. Egger, and Kenneth Stringer. The wives of the graduates were entertained at an evening coffee on May 27 in the La Mesa home of Midge Matthews. During the evening, Midge, co-hostess Kay Case, and other DAB1 wives indicated their appreciation to Section Advisor CDR Frances Biasz by presenting to her a silver monogrammed brooch.

Receiving their degrees ahead of schedule and leaving for other duties, WMA2's John Gaches and Donald Nellises departures resulted in a small section becoming even smaller. On May 24, a farewell cocktail party was held at the Officers Club at the Presidio to say farewell to the graduates, and also to Section Advisor Bill Cole and his wife, Charmaine. Each of the departing wives received a corsage at the Outrigger when Sylvia Schou and Joyce Wigert hosted

a May 15 buffet luncheon.

Adair Davis, age two months, attended her first luncheon last month. The hostess, Louise Benson (CAC2), who gave the luncheon for all the section wives, presented her young guest with the official CAC2 wives present for all new family members of the group. Fortunately, Adair doesn't realize what delectable food she missed when she stayed with her liquid diet. The Cottons and the Fords joined forces and held a dinner party that proved to be a gourmet's delight! Chris and Frankie's culinary talents were enjoyed by the entire CAC2 group, which was a wonderful way to end a week of final exams. The men took this opportunity to officially welcome Adair Davis to the fold when they presented Jeanne and Bob with the traditional baby cup. CAC2 wives received some free bowling lessons when their husbands (now the new PGS Bowling League champs) showed them how it's all done. Amusing prizes for the high and low averages were later awarded while the group enjoyed refreshments in the home of Evelyn and Curly Ross. Heading for the hills after exam week were nature lovers Dot and Mike Perro and Claire and Rick Sullivan. A brand new trailer was recently acquired by the Sullivans for their excursions.

CAC2's May luncheon was hosted by Lydia Rubin and Austella Banks in the lovely setting of the Mark Thomas Inn. A nice turnout enjoyed the open-menu luncheon. CAA2 extends its best wishes to Arlette Gaffery, who is once more up and about after her stay in the hospital. D. Z. and Lila Skalla opened their home to a section party May 23. The group enjoyed and depleted the finger-food buffet which consisted of sliced meats, hot rolls, delicious shrimp, stuffed celery and punch. Thank you, D. Z. and Lila! Bob and Joline Fentons' heads are swimming with colour schemes, fabrics and furniture arrangements as they prepare to move into their new home in the Country Club area. A drive to Reno and Lake Tahoe occupied the between-terms weekend of Jim and Phyllis Yerly. Another CAA2 traveller is Pat Shirley, who, with daughter, Anne, left June 2 for a one month visit with Pat's parents in Kentucky. From there, Pat and Anne will fly to Long Island to meet Jerry and visit with his family. Pete and Austella Banks welcomed home their daughter, Carol, who has been attending college in Alabama.

A surprise baby shower at the home of Thorice Bisek was given by the wives of DAB2 on May 22 for Betty Griffith. This will be the seventh time around for Betty!

One June 5, DAB2 wives met for a coffee which was held in honor of Ann Foltz, who will be leaving the area shortly. The wives met in the home of Louise Coleman, and presented an engraved charm bracelet to Ann. June 7 was the date of the section's party, which was held at the Outrigger, and offered a last opportunity to extend a group farewell to Section Leader Bob Foltz and Ann.

Many delicious goodies were served to the wives of Section DAA2 by Pat Paisley and Pat Wanglie. The May coffee was held in the Wanglie home. "Bring your mug," they said, and the beer flowed freely for all hands attending the Thomas Golders' beer party in La Mesa.

Visiting the Gene Martins (DAA2), relatives from Portland, Oregon: Mrs. Vera Goebel, and Mr. and Mrs. Hugh Junkin. Mr. and Mrs. John White, San Diego, were recent houseguests of the Clyde Grossochmes.

Patty Herzog hosted the first CMA3 wives' bridge on May 14. "We all enjoyed gathering over the bridge table and catching up on card rules and conversation." The Warehouse was chosen as the site of CMA3's May 24 section party. Twelve couples welcomed the opportunity to celebrate the end of final exams, and also to sample the marvelous Italian food specialties.

DAA2: A tailhook party at the Thunderbird in Las Vegas! Trading trade secrets and swapping sea stories were Charles Bush, Gene Martin, and "Jug" Paisley. San Francisco sightseers included the Edward Holmes family. The treat of the trip for the youngsters was a day at Fleishacker zoo. Gene and Pat Wanglie attended Gene's high school class reunion in Glendale. The class celebrated its ten-year reunion. Bennie and Peggy Bough were houseguests in the home of friends in Sacramento. The Ivan Mendenhalls enjoyed seeing, in person no less, the three games between the San Francisco Giants and the Los Angeles Dodgers!

CAB1's members donned blue jeans and bathing suits for a picnic at Saddle Mountain Ranch June 1. The small fry of the section gleefully participated in a three-legged race and a balloon-bursting contest, conducted by Jan and Craig Bradbury. Despite the men's physical fitness (?) program, the wives of the section out-tugged them in a rip-snorting tug-o-war. Dick and Gloria Gates drew the lucky number and walked off with the door prize, a Coleman Camp Lantern.

Katy Bowen hosted CAB1's farewell luncheon on June 6 at the Copper Cup Room. After feasting on Daiquiris, Crab Louis and Strawberry Parfaits, everyone was delighted to hear Katy announce "The treat's on me!" Many thanks, Katy! CAB1's Kathy Standring donated, as a farewell present, the door prize of a bottle of Lanvin perfume, won by Vera Clark. At the luncheon, silver baby cups were given to two new arrivals to CAB1, John A. Miller, JR, and Karen Sue Clark.

INTERIOR DECORATING REQUIRES MORE THAN TALENT

Talent is most important in interior decorating, but do not overlook these essential components:

Experience

Selection

Quality

Practicality

Buying Power

Responsibility

Dependability

Workmanship

Credit Facilities

Service Shops

For assurance of quality interior decorating with all the above components . . . plus talent, call Holman's highly experienced staff. Day or evening service for the most modest desires, most sumptuous or complete Motel-Hotel requirements. We also back our decorators with the finest furniture and fabric groups and select carpets and draperies.

end of June 7 to visit old squadron friends from San Diego.

Jackie (Mrs. Don) Sutherland left on June 3 for San Diego to spend a few days with her folks, Mr. and Mrs. Donald P. Taylor. While there Jackie will attend the graduation exercises of her sister, Mrs. Harry Hahn, from San Diego State College which is also Jackie's alma mater.

LT and Mrs. Don Hodge recently spent a weekend in San Francisco.

The Elmer Brownings are planning a trip to Hearst Castle and San Diego.

LCDR and Mrs. William Gureck were invited to play at the Invitational Golf Tournament at the Lake Tahoe Golf and Country Club on June 15 and 16. They thoroughly enjoyed a weekend of fun in the sun—Harrah!

An exciting trip is in store for the Don DeBodes . . . they are renting an airplane and flying their little family to Bowman, North Dakota to spend the month of July with their parents, Mr. and Mrs. Joe DeBode, and Mr. and Mrs. M. F. Kulas.

LT and Mrs. Don DeBode recently drove to Cupertino to visit their relatives, Mr. and Mrs. Carl Greni. They also took a short flying trip to Lodi, California.

During the holiday weekend a few couples met at the home of the Lee Pritschers for sips, dips, and chips. The following night guests at the Don Sutherlands enjoyed a real treat of fresh pineapple and his 150 proof Rumbunctious Zutherland Zombies.

The section journeyed to Salinas for their monthly party on June 1. LT Larry Kugler planned the evening of cocktails and the delicious steak dinner at the Italian Village. A fine combo provided good music for dancing after dinner.

LCDR and Mrs. George Lyne changed their address to La Mesa Village this month.

CAB2 monthly luncheon was held at Cerito's Neptune's Table which provides a spectacular view of the fishing fleet in Monterey Harbor.

June 5, a lovely, warm, sunny day was selected by co-hostesses, Pat DeBode and Dorothea Lee Browning.

Off to the Tail Hook Party in Las Vegas were CAB2ers, LCDR William Gureck and Edward Hallett who traveled with LCDRs H. B. Paisley, Gene Martin, and Charles Bush of DAA2.

The monthly CAB2 coffee was held at the Toyon Heights home of Ann Pritscher on Monday evening, June 17.

Some of the CAB2 golfers: Bill and Phyl Gureck, Lee and Ann Pritscher, Hal and June Keith, and 'Jug' and Pat Paisley of DAA2, met on Friday afternoon, June 14, for couples golf, cocktails, and dinner at the Navy Course.

To celebrate Father's Day on June 16, LT and Mrs. Hal Keith hosted a neighborhood cocktail party in their La Mesa Village home.

LCDR and Mrs. Lee Pritscher entertained a couple of Vanderbilt students, Thorne Crosby and Kem Chafin, who are traveling through California and the western states this summer.

Recent houseguests of LCDR and Mrs. Edward Hallett include Ed's aunt, Miss Esther Hallett of Garden Grove, California and Mr. and Mrs. John Sokol of Berkeley. Also, LCDR Robert Meissner, who stopped by for a brief stay en route from Kodiak, Alaska to his new duty station at the Naval Academy where he will be an instructor.

parties. LCDR and Mrs. William Gureck entertained departing friends LCDR and Mrs. Alfred Naismith who are off to Hawaii, and CDR and Mrs. O. K. Stratton who are bound for Japan. LCDR and Mrs. H. E. Kelley, Jr. were the dinner guests of LCDR and Mrs. George Lyne in Carmel Valley.

A delightful family picnic was held on Memorial Day by CAAI at the Naval Air Facility Picnic grounds. Games followed a delicious meal with approximately 110 men, women and children participating. Mike Clarke and John Childs won the egg tossing contest for the second year. Thanks go to Fran Murray, Eileen Horan and Barbara Clarke for making all the arrangements.

Mary Evrard and Pat Palmquist were the

charming hostesses for a luncheon held at the Outrigger on June 5 to say farewell to Lois Mayer. She and CAPT Mayer have been an inspiration to CAAI and we wish them the best of everything as they depart to Long Beach in July.

Sharon Evrard, daughter of Bill and Mary Evrard, won a National Latin Award. CAAI is very proud of her.

The wives of CBM3 met twice this month for an evening of bridge at the homes of Pat Harre and Peggy Kerns.

The Ginza was the setting for the June 13 luncheon. Hostesses Dixie Benz and Elanor Briggs were credited with an outstanding time had by all.

Many thanks go to Gene and Toni Mitch-

ell for the section party at their home on Ortega Road.

Barbara and Bill Scantlon are the proud parents of a son born June 18.

Husbands and wives of DMA3 celebrated the end of the first term with a steak fry at the home of Charlie and Gloria Melville. Everyone had a terrific time doing the twist and the Limbo. There was also a songfest with Gloria accompanying us on the piano. Arrangements for the party were made by Beverly Thompson, Shirley Gardella, and Jan Bennett. On June 4, Ollie Stirling hosted a dessert bridge at her home in Pacific Grove.

ENGINEERING SCIENCE

Editor: Jean Sanders

Reporters: Maxine Gimber, Lynda McCulloch, Gail Blythe, Jean Keenan, Nancy Jackson, Diane Young, Lee Cole

"Cook your own" was the theme of SMD-3a's latest get-together at the 'O' Club on June 7. Choice of steak or lobster was offered. Hosts, Pat and Andy Borcik, joined in the fun-filled evening.

Members of SMC3c journeyed to Big Sur for a picnic. Frolic and fun keyed the day, especially some "friendly" teasing of the Crosses (Claude and Elaine), who forgot their picnic basket but did remember the charcoal.

Highlighting activities of the month of May was the "long weekend" following the first term. Some families enjoyed leisure days at home while others traveled to interesting points in California.

For the stay-at-homes of SMC3b, Ann and Jack Breidenstein's back yard was the scene of a cookout. It was a lovely evening and enjoyed by all.

SMD3b had members traveling north and south. Going south were Eddie and Donna Cox and their children. Disneyland and Knott's Berry Farm were high spots of the trip.

Rod and Joan Phipps spent a restful weekend at Hunter Liggett Military Reservation. They also took a side trip to San Simeon.

San Francisco hosted a fascinating weekend for the Rivers (Bentley and Mary) and the Snows (Barry and Jackie), who were there with friends.

They brought back reports that make the rest of us sure we want to go also.

The setting for SMD3a's June luncheon was the delightful atmosphere within the walls of the Gobi Inn in Carmel. Hostesses Pat Wolfe and Anita Bilicki, along with the other wives, enjoyed the delicious Chinese and American food.

On June 6, the wives of SMD3b gathered at the Ginza for an unusually delightful luncheon. Carolyn Doughdrill and Donna Cox were hostesses for the afternoon. Their choice of a restaurant seemed to be just right for everyone.

Polynesian decor of the Mai Kai Room of the Outrigger Restaurant, and an exotic chicken entree provided a pleasant atmosphere and an enjoyable smorgasbord for the

wives of SMC3b. Co-hostesses for the monthly luncheon were Diane Young and Martie Willey. Thirteen wives and one guest attended. The drawing for the lovely centerpiece of spring flowers was won by Laurie Segelhorst. A short business meeting concluded the afternoon.

For a change of pace, the SMC3c wives met at the 'O' Club on June 5 for bingo. A gift certificate was won by Pat Arata.

The usual enthusiasm for bridge persisted among the wives of SMD3b, as Donna Cox was hostess to four tables on May 28 and Joan Phipps welcomed the same group on June 13.

Co-hostesses for SMD3a's favorite card game, bridge, were Barbara Stephenson and JoAnn Thompson. May 15 was the date at Barbara's home. High and low honors went to guests Collen Wille and Marcia Brown respectively.

Mrs. Wille, with her two children, Jon and Jan, are presently visiting with Tommy and Jo Ann Thompson. After living for four years in Hamburg, Germany, the Wille's plan to reside permanently on the Monterey

Peninsula.

Guests of LCDR and Mrs. F. J. Moran of SMD3c are his parents, COL and Mrs. S. J. Moran of Redlands, California. They plan to visit a week.

For a visit with Bob and Pat Wolfe of SMD3a came Mr. and Mrs. Dee Wolfe and Mr. and Mrs. Fred Bisom of Payette, Idaho. After a delightful visit, the couples left, taking with them memories of a complete tour of the area.

The recent Monterey Folk Festival brought vacationers, sightseers and San Franciscans!

Among the latter were three former classmates of Kay Plowman. Hersh and Kay (SMD3a) were happy to play host for the weekend to the Misses Arlene Edwards, Lil Cooper, and Jane Dunlop.

L. C. and Jerry Beth Beck (SMD3a) also entertained one of Jerry Beth's classmates. She is Miss Ann Russell from North Carolina. Presently, Miss Russell is a flight nurse with the Air National Guard.

Jack and Ann Breidenstein of SMC3b had as their guest Ann's mother, Mrs. Faye McCoy of Memphis, Tennessee.

Showers were in the air last month! Maxine Gimber and JoAnn Vargo (SMC3c) were co-hostesses for a surprise baby shower honoring Ellen Sloan. The party was held May 21 at Maxine Gimbels.

Guest of honor at a pantry shower was Judy Boggs. Judy is the recent bride of LT Harold Boggs (SMC3b). Hostesses were Gail Johnson and Claramae Hesse. "Welcome to Section SMC3b, Judy!"

Bridge sessions for the past month have been held at the homes of Joan Dancer, with Adele Smith as co-hostess; Gail Blythe, with Shirley Haley as co-hostess, and Marcia Zirbel, with Kay Russell as co-hostess.

Weekend guests at the home of Joy and Dale Fernandez were Mr. and Mrs. Jack S. Clopper of Oakland. The Fernandez's and sons, Keith and Scott, later spent a day visiting San Francisco.

Gene and Adele Smith had as their guests her brother and family, Dr. and Mrs. Whiton Clayton and children of Whittier, Calif.

Shirley Haley and sons, Kirby and Scott, have left to spend a month visiting family and friends in Austin, Texas.

The wives of Section SMB3a held their June luncheon at Neil DeVaughn's on Cannery Row. Dinky Byng and Donna Cameron acted as hostesses.

Dee and Sylvia Hurd and family spent the semester-break weekend camping at Big Sur. Willie Breckon accompanied their children, David, Randy, Sean and Lisa, as their guest.

May guests at the home of Russ and Gail Blythe were LT and Mrs. Walt Wattenburger, Jr. and son of NAS Lemoore, Arlene McAdam, Karen Sullivan, Barbara Wilkinson and Kay Mitsuyoshi of San Francisco.

George Segelbacher's home in Carmel Valley was the scene of a pool-party, cook-

out, and get-together for the couples of SMB3a, June 7.

Guests for a week at the home of the Richard Williams were LT and Mrs. Bob Lee and children, Laura Lei and Tanya. LT Lee is stationed at Mountain Home Air Force Base, Idaho.

Daniel and Donna Morrison and family traveled to Los Angeles. Highlight of the trip was a visit to Disneyland.

Gene and Shelbie Lindsay and Karen visited friends in San Diego.

Also from San Diego for a short visit was Dean Simmons' parents, Mr. and Mrs. Melvin Simmons.

Clarice Surratt is off to Mobile, Alabama to attend the wedding of her sister, Ann Bryan. She plans to stay about two weeks.

From the south comes Mr. and Mrs. J. A. Gagliano to visit with their son, Sam and wife, Carole. They hail from Birmingham, Alabama.

The three week session of bridge was hosted by Sara Jones and Nancy Bender at Sara's. We are all getting rather good at the game thanks to the bridge lessons taken by several of us. Jolene Marshall was hostess for the gathering on June 25.

Mary and Hap Hansen held a BYOB party for the section Memorial Day weekend so the ladies could meet the gents and bachelors and vice versa. An enjoyable evening was had by all who attended.

Jolene, Walt, Eric, and Byron Marshall spent Memorial Day weekend in Madera, California visiting their parents, Mr. and Mrs. Joseph Mashburn and Mr. and Mrs. Wedford Marshall. Jolene and the boys will spend several days in San Leandro visiting her sister, Mrs. Jack Stemmy.

Julie's mom, Mrs. William Murphy of San Diego was here to greet her first grandchild, Keith William, newborn son of Fred and Julie Lyon (SMC3d). The other grandmother, Mrs. Dale Lyon, is coming from Erie, Pennsylvania to meet and get acquainted with Keith.

FLEET NUMERICAL WEATHER FACILITY

By Becky Melton

Following a farewell steak dinner in their honor at NAF, the Kalinyak's (3 and 8/9), departed for Hawaii, taking with them the bowling trophies that they won in the Meteorology Bowling League. Ted and Gaby Hesse, leaving in July for Guam, are also to be honored at a farewell party.

CAPT and Mrs. Wolff combined their wedding anniversary with a wetting-down party in the Copper Cup room on June 27. Congratulations on both events!

We are also looking forward to the annual picnic this summer. We hope that our weathermen will succeed (for once) in selecting a day with neither rain nor fog!

Our avid golfers had just cause to be envious of the fine showing of the FNWF Softball Team. This team took the USNPGS Intramural Title in "Silky Sullivan" fash-

ion, beating two fine teams, "Naval Weapons" and "Personnel," in a three-way play-off. Congratulations, men!

A few families are vacationing some distance from the Monterey Peninsula. The Palmers, sporting their new Sprite, are traveling to San Diego to visit friends and relatives. Lucy, who received the sports car for Mother's Day, is finding a hard time getting it away from Wally!

Jane Frawley and friends spent a few days camping and traveling up and down the California coast between San Francisco and San Diego.

The Meltons are taking their California born son for a visit to their native Dixie, both to North Carolina and Louisiana.

With so many on leave, George Lawniczak, normally on leave, reluctantly returns to work. The Lawniczaks, along with Jackie Kennedy, await a new arrival in August.

NAVAL MANAGEMENT AND OPERATIONS ANALYSIS

Editor: *Dianne Greenhalgh*

Reporters: *Joani Baldwin, Ruth Melcalf, Joy Forsman, Marty Olds, Terry Schnitzer,*

and Betty Buck

Anne Underwood, of Section ROO2a, deserves a vote of thanks and congratulations for the article she wrote on the Postgraduate School for the service wives magazine, U.S. Lady. Anne also coordinated the articles and pictures concerning the other services for the same feature.

Jackie and Spike Gartland welcomed the section into their home May 29. The occasion was a farewell cocktail party for the Coopers who will be leaving for Long Beach this month. We all wish them luck and happiness in their new duty station.

The Desseys' have rented a cottage on the beach and the family is planning to join "Des" on his field trip this summer.

A gala cocktail party given May 11th sent the second year O. A. students off to their various new ports of call. The hosts included both sections in the first year group. It was an enjoyable evening and the departing second year students were actually heard to say that the time had passed quickly here in Monterey.

Tom and Sandy Harper entertained at a "bring your own steak" party just before the

summer field trips began. All of ROO2b was there to see the Harpers' new house and meet Del Monte, their growing pup. Everyone had a wonderful time, and Del Monte should have had a feast on leftovers.

The May coffee was a pleasurable calorific venture with French pastry at the Patisserie Boissiere in Carmel. Ruth Metcalf and Mary Nelson were the hostesses for the evening.

Carol Smith entertained the wives remaining in Monterey keeping the home fires burning. It was the first of several potluck get togethers planned while the men are on their field trips.

ELECTRONICS AND COMMUNICATIONS

Editor: Pat Dillingham

Reporters: Rosalie Zollars, Eleanor Youngmann

The long awaited leave period finally arrived and many families lost little time in embarking on those long planned vacations.

In Section EBB2a, Sue and John Kropf and four children visited relatives in Seattle. The Crones journeyed first to Forrest's home in Wisconsin then to Betty's home in Pensacola. Betty planned to stay in Florida an extra month. Barbara and Jack Lipscomb undertook a jaunt to Nebraska with their two little ones. Marty Twite flew to Minnesota to spend a week with his parents, Martin and Bernice Twite. A speedy recovery to his mother who has been on the sick list. Pat and Ken Hogendobler zoomed across country to Illinois in their little Triumph! Millie and Charlie Axell planned a week visiting friends in the Los Angeles area. Their four daughters remained at home in Carmel. Connie and Bart Smith went sight-seeing at Lake Tahoe and Yosemite while Bart's mother, Mrs. Evelyn Smith spent a week with the grandchildren. She was visiting from Salt Lake City. Rosalie and Al Zollars visited Al's sisters in Los Angeles, and Al also provided a raised sword and necessary moral support at the wedding of his former Naval Academy roommate, Frank Ford.

Others remained at home and provided personal guided tours to places of interest on the Peninsula for family members. Two week visits by Tom LeBlanc's mother, Mrs. Miriam LeBlanc, who arrived from Mississippi, and by Dick Runyon's mother, Mrs. Herbert Bosen who traveled from New York.

On May 23, Section EBB2a held a steak barbecue to celebrate the end of one year of study at the home of Sue and John Kropf. Mary Ann and Marty Twite were hosts for a most successful dinner.

Section EBB2d celebrated the end of their first year with a gala party at the La Mesa home of Ellie and Ken Youngmann. Everyone brought their own liquid refreshment and it proved to be an enjoyable evening. Pete Dillingham brought his father, COL

Paul Dillingham, Ret. who was visiting from Camden, Maine.

The beginning of vacation found many families leaving the area. The Worleys, with their two children, headed for East Texas in their new camper. Verna and Joel became expert outdoors chefs.

Joe and Carolyn Spero welcomed Carolyn's younger sister, Doris for a month's visit to Monterey.

The Bordens drove to the East Coast to visit Gloria's family, and the Youngmanns headed for Chicago after a three year absence.

Many of the families who did not plan on long trips did take shorter trips throughout California and neighboring states, enjoying the beauty and natural wonders found only on the West Coast.

METEOROLOGY AND OCEANOGRAPHY

Editor: *Edna Stevenson*

Reporters: *Maurine Clower, Dorothy Dodd, Jane Tatro*

Joan and Warren Ellsworth of MOA2 hosted a cocktail party for their section and guests in their home on Saturday, May 18. After enjoying cocktails there, the group had reservations at the Warehouse where all enjoyed pizza, singing and more fun.

MOC2 turned out to have a blast at the end of the fourth term. The hosts were Gloria and Bernie Czaja and the party was outstanding. The teriyakis served at midnight were truly a high spot of the evening.

Once again, as vacation time rolls around, we find visitors coming to the Peninsula. Mr. and Mrs. L. H. Prescott drove from Memphis, Tennessee, to visit Edna and Don Stevenson. A most important part of the Prescotts' trip was seeing their granddaughter, Tracy, and they all enjoyed a trip to San Francisco. Other visitors enjoying the Monterey summer were Mr. and Mrs. B. W. Czaja and Miss Elaine Wagner, all from Buffalo, N. Y. Gloria and Bernie planned many enjoyable side trips for their guests.

The charming city of San Francisco continues to lure many of our section people. Recently Gretchen and Al Brookes toured the city, and Gloria and Bernie Czaja enjoyed a return trip there.

MOC2 section bridge for the month was held at the home of Jane Tatro with Bobbi O'Connor winning top honors. It was a delightful evening of bridge and everyone enjoyed the delicious strawberry pie Jane served.

Our congratulations to Dick Haupt who recently put on his silver leaves and scrambled eggs.

The section will most certainly miss Peter and Jane Tatro when they leave the beginning of August for Boston, Mass., and M.I.T. where Pete will work on his Ph.D. for the next three years. Our good wishes go with you both.

Many of the section will be traveling to

all parts of the country for carefree vacations. Here's hoping everyone has a very pleasant time and the Tatros wish all their friends of MOC2 lots of luck during their final year at P.G. School.

The wives of MMM2 were the hostesses for a delightful coffee given for the staff wives of the Meteorology and Oceanography Curriculum on June 11 in the Silk Horse Lounge. Mrs. Steukert drew the lucky ticket of Mrs. Thompson bestowing on her the lovely centerpiece gracing the table laden with all sorts of goodies. It was indeed an enjoyable morning and we thank MMM2 for giving us the opportunity to meet the staff wives and you as well.

Trudy and Les Britten gave a delightful section party for MMM2. The food was just delicious as Trudy is an outstanding cook.

Maurine Clower and Faye Lewis were co-hostesses for MMM2 wives in June.

MMM2 wives took several honors in bowling the past month. Marian Alden was one of the team members that took first place in the Tuesday Night Bowling League. Faye Lewis received third place. Wanda Caverly was presented with a certificate in the Friday Night Couples League, and everyone agrees it was most deserving.

Norma and Chuck Bennett are really beaming with pride for their son, Chuck. He has really been a hero in the Carmel

Valley Little League. We are all "rooting" for you, Chuck.

Sue and Dave Cave and Jack Pingle were co-hosts to MAA2 with a barbecue at Jack Pingle's picturesque Carmel Highlands "Hideaway." Dancing and singing to the accompaniment of Mitch Miller and his gang, the group ended their first year at school in a jovial mood.

ORDNANCE ENGINEERING

Editor: *Henry Etta Blundell*

Reporters: *Lorrie Audilet, Barbara Greer, Peggy Larsen, Ruth Moore*

To celebrate the beginning of the leave period and the end of exam week, Section WGG2d got together at the Naval Air Facility Club Friday night, May 24. Everyone contributed a dish to the supper which was planned by Kerrie McHugh, Shirley-Anne Kinnier, and Evie Reister. After dinner all gathered around the piano for a few songs.

The noise resounding through the Peninsula during early June was caused by all the suitcases slamming shut as just about everyone in Section WGG2b took to the road or

air. The Ron Narmi's drove to Iowa to visit with Ron's family and then to northern Minnesota to visit with Fay's family. Anne and John Kirkpatrick flew to Arkansas to visit with Anne's family. Martha and Hal Eddleman had a real vacation! Left the kids with Martha's family in San Francisco while they visited friends in San Diego. Kerry and Dan Butterfield, with their children, drove to Colorado to visit with Kerry's family. Ann and Ron Rau toured some of the National Parks with Ann's mother, Mrs. Tudor. Mr. and Mrs. Potter Yeend and their daughter, Kay came out from Mobile, Alabama with Mrs. E. B. Brown to visit with the Frank Woods. Mr. and Mrs. Yeend are Andree's parents and Mrs. Brown is Andree's aunt. Later in the month, Frank and Andree visited more of their family in San Diego. Mrs. A. N. Moore of Kentucky flew out to visit with Ruth and Newt Moore. Ruth and Newt took Mrs. Moore on a tour of the Redwoods, San Francisco and Los Angeles. Ann and Nick Bailey of Freer, Texas visited with Sue and Bob Munn. Sue reports that she, her sister Ann and their husbands were

busy playing every golf course on the Peninsula but did take a few days off to visit San Francisco. Dick Mieldazis spent some of his leave in Coronado and at Lake Tahoe. Carol Hilder says she and Len stayed home to run a pet shop. They have two adult dogs, six pups, and a neighbor's turtle.

WGG2c's were also on the move. Chuck and B. J. Andrews visited Chuck's parents, ADM and Mrs. C. H. Andrews, Sr. in Los Angeles. Chuck made one long side trip to Connecticut to be best man at his brother's wedding. Hank Jordan flew east to Connecticut to spend part of his leave with his parents in Hartford. The hardy ones in the section were Mary Ann and Ray Williams who camped their way east by way of Pensacola, Florida and Washington, D. C. then back to Monterey. Quite an undertaking with three children. Anyone needing any advice on camping, just ask the authorities, the Williams!

Also on the move literally were Penny and Larry Nace, who moved to 1071 Douglas Ct., Seaside, from their former home in Pacific Grove, and Dianne and Fred Howe, who moved to 33 Revere, La Mesa from their Marina residence.

Glad to report that Mimi Brown is out of the hospital and her usual perky self despite the fact that she'll be hobbling around quite sometime what with the cast, crutches, etc.

On May 20th, RZZ2b had our monthly meeting at the Bluebird Restaurant in Carmel. June 1st, we had a picnic at the Indian Village picnic grounds in Del Monte Forest. It was a beautiful day, in fact, some of us made a short hike to the beach.

SECRETARY OF THE NAVY ADDRESSES JUNE GRADS AT POSTGRAD SCHOOL

Secretary of the Navy Fred Korth addressed more than 500 officers at the graduation exercises at the United States Naval Postgraduate School on June 3, 1963 and stressed the importance of their knowledge gained while at the school.

The Secretary, introduced by RADM Marshall E. Dornin, said, "The knowledge gained during your residency here in Monterey is sorely needed during this transition era and the years ahead."

He urged the graduates to advise their fellow officers of the "vital need for the several skills that may be obtained here and urge them to avail themselves of the opportunity that awaits them."

Secretary Korth congratulating
LCDR Carol C. Smith, Jr.

U.S. Navy photo

"I am firmly convinced," he said, "that promotion to higher rank cannot be considered a reward for efficient or even distinguished service, but must, in essence, reflect the potential of an officer for the future."

Following the address by Mr. Korth, CAPT Robert D. Risser, Director of Programs, presented 128 candidates for Certificates of Completion of Curriculum, while Academic Dean Allen E. Vivell presented 418 candidates for degrees, which were conferred by the Superintendent.

After the graduation ceremony, ADM and Mrs. Dornin entertained the graduating students and their families with a reception at the Superintendent's quarters.

CINEMA SERIES

A special Friday evening cinema series is planned for Monterey Peninsula College.

Free tickets for single programs or all of them will be available in the order in which mailed requests are received. Persons wishing tickets are asked to send stamped, self-addressed envelopes to the Summer Session Director, specifying the programs desired.

On July 12, Philip Chamberlin of MPC will lecture on "Silent Comedy and Musical Comedy," illustrating his talk with sequences from "On the Town," "Gold Diggers of 1933" and a rare Chaplin two-reeler. The series will close with a July 26 lecture by Colin Young, film critic, editor and founder of the American Film Institute, on "New Directions." Young will illustrate his talk with short films from four areas: New American Cinema ("Pull My Daisy"), Documentary ("Football" or "Primary"), The Theatrical Short, and The Student Film.

All American Film programs will start at 8 p.m. in the music hall.

LCDR BELTER IS BIG WINNER FOR NAVY RELIEF

As RADM Marshall E. Dornin drew the lucky ticket to announce the winner of the 1963 Chevrolet Corvair Coupe, LCDR Robert H. Belter and his wife, Buff, were at home gathering things together for their forthcoming departure from the Peninsula.

Regardless of the late hour, LCDR Belter was at the Bali Room within minutes to pick up the keys to his new car and add it to the list of valuables he will be taking to his new duty station at Whidby Island.

After a four year tour of duty at the Postgraduate School, LCDR and Mrs. Belter will probably long remember their going away present!

1963 California Rodeo to be Held in Salinas

Salinas, California, will house a spectacular event in true western fashion on July 18, 19, 20, and 21 when the 1963 California Rodeo takes place.

According to the Board of Directors of the Rodeo Cowboys Association, who sponsor the event, this "annual sports event is not only a credit to rodeo, but even more, a shining example to the whole sport of the very finest in rodeo production."

The Grand Entry will commence at 1:30 p.m. on July 18 and the Rodeo will follow at 2 p.m.

The arena events are as follows:

Bareback Stamped
Saddle Bronc
Bull Riding
Calf Roping
Bareback Bronc
Steer Wrestling
Dally Team Roping

Track events that will take place are:

Trick Riders
Stockhorse Classes
Barrel Racing

Jaquima Class
Thoroughbred Races
Buschbam Liberty Horses
Dressage Horses
Hendrick's Comedy Acts
Cutting Horse Classes

Downtown events to be held are:

Wednesday, July 17:

Kiddie Kapers (children's parade), 6:30 p.m.

Thursday, July 18:

Parade of 1,000 horses

Daily through Sunday, 1 p.m.

Friday, July 19:

Folk and Square Dancing, Salinas Armory, 8 p.m.

Saturday, July 20:

Frontier Breakfast, Salinas Armory, from 6 a.m.

Colmo Del Rodeo, Lighted Night Float Parade, 8 p.m.

There will be a military discount on all tickets purchased through the Special Services Office in Herrmann Hall. All seats are reserved.

LITTLE THEATRE

The Little Theater Group of the U.S. Naval Postgraduate School is about to enter its third year. It was established with the modest production of "Brigadoon" in the fall of 1961. The talents of staff, student, civilian and wife turned this two day run into a complete success. The enthusiastic response to this musical encouraged the Group to venture forward.

Al Capp's "Li'l Abner" was selected as the next production. This time, the Twelfth Naval District Band joined forces. Much to the delight of the Group, the three day run was played before near capacity crowds. Although this was a hard production to follow, in the fall of '62 a cast of 90 fell into line and presented "Kismet." People are still talking about the music, dance routines and sets. The pseudo-expensive costumes necessary for this production were designed and constructed by twenty wives from old parachutes dyed into colors beautiful to behold. "Kismet" ran four nights to a sell-out crowd.

All productions by the Group are non-profit.

"Chicken Every Sunday" came in March of 1963. This was the first non-musical endeavor by the group. Its success proved to be a fruitful one.

The '62-'63 season was closed with the production, "The Boyfriend."

The healthy expansion of the Group has made reorganization necessary. A constitution and by-laws are being created and new officers have been duly elected. The president, Don Hindorf, will be assisted by Charles Newcomb and Nancy Glaser as vice president and secretary-treasurer respectively. Mrs. Ruby Risser has generously consented to donate her time to repeat as advisor of the Group.

Committees have been established, headed by capable and enthusiastic people. The names and phone numbers are listed with hopes that you will be able to share your time and talent with one or more of the committees.

Technical director, John Shultz, FR 2-8942; musical director, Carol Sibley, FR 2-0841; makeup and properties, Louise Williamson, FR 5-3316; playreading, John Boles, FR 5-5707; costume, Budge Weidman, FR 2-2241; publicity, Margot Blair, FR 5-2924.

The Little Theater Group desires your support. If the ham in you is predominant contact Peter Liepman at FR 2-1340. If you'd rather work with one of the listed committees call its chairman. If your talent is limited to sitting—then be a member of the audience and watch the Little Theater come forth with musicals, comedies and even a touch of the serious. What's your pleasure—"Doing or Sitting"—in King Hall this fall?

Have You Read . . .

AS I RECALL MY PAST CENTURY

Author: *Herbert Welch*

This book was published on the 100th birthday of the author, and on the day of its publication he was the guest of honor at a birthday celebration in New York City.

Here is a book that combines the vigor of youth and the wisdom of age. This is the warm hearted life story of a Methodist bishop who in his hundredth year recalls his experiences as a student, pastor, college president, and bishop to the Orient.

Looking back over his one hundred years, Bishop Welch writes with zeal, humor and power to tell the story of his life. In his search for truth Bishop Welch has formulated certain beliefs, some of which are quoted in the next two paragraphs.

"God has not made a world in which security and ease and happiness are the highest attainments, but rather a world for watchfulness, for work, for struggle, and for suffering as a normal part of the full life."

"Among the virtues and graces which enter into the ideal of the Christian life, I have come to set almost the highest value on humility, compassion (not pity), understanding (rather than mere tolerance), love above and beyond the call of duty, sharing (togetherness) and good cheer."

YESTERDAY'S CHILD

Author: *Janet Kern*

"The year I was born wasn't much of a year for French wines," writes the author at the beginning of her excursion into the world of her childhood, "but it was a great year for babies."

Janet Kern was born in 1924 and Chicago is her home city. Her heritage is Jewish and her father was a doctor. These factors played important roles in the telling of her story.

Two incidents in Miss Kern's childhood were particularly compelling. The story of her first school prize and then how she overcame her fear of dogs.

It was delightful and refreshing to read a book by a happy, well adjusted author about a happy, well adjusted childhood.

AMID THE ALIEN CORN

Author: *Hugh Willoughby*

Mr. Willoughby is English. A few years ago he was given a grant to spend a year of study at the University of Indiana. *Amid The Alien Corn* is the account of that year. Evidently Mr. and Mrs. Willoughby enjoyed their stay in Indiana and it can well be concluded that those who met the Willoughbys enjoyed them.

It was amusing and gratifying to read this written description of life on a Mid-western campus as viewed and experienced by an Englishman.

HELL CREEK CROSSING

Author: *William Faulkner*

Hell Creek Crossing is taken from *The Reivers*, the last novel of William Faulkner.

The setting of this story is Zoknapatawpha County, that legendary corner of Mississippi which William Faulkner made world famous in his novels.

Lucius is eleven years old and his parents have gone away for four days. They had gone by train to attend a funeral, leaving the family car and Lucius.

The story develops around Lucius, a Ford car (1905 vintage), Boon Hogganbeck and the ancient Negro, Ned. The car is the temptation the three humans cannot resist. This story of their experiences as they get themselves and the car through the mud of Hell Creek and their meeting with an ingenious profiteer is filled with rollicking humor.

454 Alvarado Street Monterey**From the
Poet's Pocket****I Ask But This**

For that small heart that beats beneath my own,
I ask but this, in earth's chaotic blare:
Not fame nor riches, when it beats alone—
Save as they come—but may it be aware
Of those high moments that a life can give,
And hold them precious as they come and go;
That life may be a joyous thing to live:
To reap, without regret, what it may sow.
Let tang of Autumn, mornings in the Spring,
Touch deep the soul, bring yearnings and despair;
And may the sea's soft utterances bring
The call, resistless, leading none knows where.
You whom I bear into a world of strife,
O, be aware of beauty, and love life!

Nova Dornin
1937**WETTING A STRIPE**

A Wetting Down cocktail party was held on May 18 at the Presidio Officers Club to celebrate Dick Murray's promotion to Commander and Bob Latta's promotion to Lieutenant Commander. The men in CAAI presented CDR Murray with a hat upon which were the shiny "scrambled eggs." The section, as well as other guests, extended their best wishes to these two fine officers.

Section DAB2 and guests helped LCDR Glen Gaddis and LT Roger Hulson wet down their new stripes on May 18 in the Trident Room.

Bill Buckon, one of the Marine members of Section ROO2a, celebrated his promotion to Major with a wetting down party for his fellow classmates in the Bridge Room. Congratulations, Bill.

Under Crossed Swords

On June 1 in the Postgraduate School Chapel, LT Chon Ho Hyon of the Engineering Curriculum, Section NLAI, took as his bride Miss Won Sun Choi of Korea.

A reception followed the ceremony in the Silk Horse Lounge where Korean songs and prayers were sung to the bride and groom. In perfect harmony, LT and Mrs. Hyon delighted their guests by singing "Home Sweet Home" and "Whispering Hope" in Korean.

The Hyons honeymooned in San Jose where they will spend the summer while LT Hyon studies at the IBM installation there.

Culinary Creations

With fresh fruit season upon us *Classmate* offers:

BLUEBERRY PANCAKES

Beat 2 eggs until they are light and gradually beat in $\frac{2}{3}$ cup sour cream and $\frac{1}{2}$ cup milk. Sift together $1\frac{1}{2}$ cups sifted flour, 2 teaspoons baking powder, $\frac{3}{4}$ teaspoon salt, and $\frac{1}{2}$ teaspoon baking soda. Stir the dry ingredients into the liquid mixture just enough to moisten them. Gently stir in 2 cups blueberries, washed and well drained, and 6 tablespoons melted sweet butter. Pour the batter from a ladle or cup onto a hot buttered griddle or skillet. When the underside is lightly browned and the top bubbles turn the pancake and cook the other side. Serve immediately with blueberry sauce or maple syrup.

This recipe for blueberry pancakes makes a moderately stiff batter of the high rising kind that suspends blueberries throughout.

BLUEBERRY SAUCE

In a saucepan combine $\frac{1}{3}$ cup sugar, $1\frac{1}{2}$ tablespoons flour, and a pinch of salt. Stir in gradually 1 tablespoon lemon juice and 1 scant cup of hot water. Stir until the mixture is smooth and begins to thicken. Add 1 cup blueberries and continue to cook the sauce, stirring until it is thick. Remove from the heat and beat in 2 teaspoons of sweet butter. Serve the sauce hot.

Delicious!

A simple yet out of the ordinary raspberry dessert would be:

RASPBERRIES WITH KIRSCH

Sprinkle 4 cups fresh raspberries with sugar to taste and $\frac{1}{4}$ cup kirsch. Chill the raspberries several hours before serving.

Strawberry Shortcake is always a favorite. For variety try

BAKED-IN-SHORTCAKE

Sift 1 cup sifted flour, $\frac{1}{2}$ cup sugar, 2 teaspoons baking powder and $\frac{1}{2}$ teaspoon salt; add $\frac{1}{2}$ cup milk, 1 egg and 2 tablespoons melted butter; beat 2 minutes. Turn into a greased 8x8x2 baking pan. Top with $1\frac{1}{2}$ cups sliced strawberries; sprinkle with Crumble Topper. Bake in moderate oven, 375 degrees, about 35 minutes or till done. Cut in 9 squares. Serve warm with ice cream.

CRUMBLE TOPPER

Combine $\frac{1}{2}$ cup flour and $\frac{1}{2}$ cup sugar; cut in $\frac{1}{4}$ cup butter till mixture resembles coarse crumbs. Add $\frac{1}{4}$ cup chopped walnuts.

Unusual and always a hit!

Have you tried Gravenstein apples? If not you are missing a California treat. Use your favorite pie recipe! Unfortunately, the Gravenstein season is short, usually the month of July and the early part of August.

—Cookie Cutter

WANT ADS

The Classmate, in an attempt to help the Wives' Club and similar activities directly connected with the Postgraduate School, is inaugurating a WANT AD column. This column will provide advertising space to those activities seeking help for committees, required material for committee work or other assistance of this sort. *The Classmate* will not accept any material which could be considered commercial in any way.

LADIES are needed for the Monterey Chapter of the American Red Cross to serve as nurses aides, grey ladies and staff aides. Teenagers are also needed to fill some of these capacities as well and further information can be obtained from calling FR 2-5851.

WANTED—A Navy wife who would be interested in decorating the Activities window across from the Silk Horse Lounge. Call Sue Simmons, 372-8601.

WANTED—Navy wives, with children in the fifth to eighth grades, interested in helping with the Monterey Peninsula Cotillion, please contact Dorothy Dean Stevens, FR 5-6240 or MA 4-4454.

SILVER SERVICE SETS

The use of the Silver Services available to the Officers Wives Club shall be limited to active, registered members of the club for their personal use only. Upon contact with the President, Gloria Melville, at 375-9116, the member obtaining the silver must sign for it with Mr. Liepman's office and shall be fully responsible for it until returned to the Manager of COM (open). Silver shall be cleaned and covered before returning.

ACTIVITIES

Important To You! Keep This List

A wide variety of activities and instruction classes is offered to all of you through your Officers Wives Club. While husbands are studying this is a wonderful time for us to take advantage of the free baby-sitting service (the dads) and take that course you've always wanted.

Below we have listed the activities and courses and the name and phone number of a co-ordinator for each. The co-ordinators are Club members who will be able to give you information regarding the activity.

We anticipate repeating the courses several times during the year so you will be able to participate in many things without overcrowding your first few months.

I urge you to keep this list handy for future use. Also check the "Wives Information Bulletin Board" located in the hall across from the Bali Room. New activities information will be posted there.

If you have any suggestions about a course or any questions please call me at 372-8601.

Sue Simmons

SPORTS

Bowling . . .

We have three Officers Wives Leagues:

Tuesday nights, 9 p.m., Monterey Lanes
Wednesday night, 9 p.m., Cypress Lanes
Thursday mornings, 9:30 a.m., Monterey Lanes

All Leagues to commence first week in September. Beginners, Old Pros, Substitutes call Hilda Thall, 372-4479.

In The Window...

U.S. Navy photo

On display "In the Window" this month is a selection of silver and gold pieces with the emblem of the U.S. Naval Postgraduate School on each item. They will be for sale, as the information in the window states.

Sue Simmons and Katie Bowen are responsible for arranging the display which includes silver, solid gold, and gold plated charms for ladies' bracelets, ladies' and men's cigarette lighters in silver, silver and gold plated key chains, cigarette urns, pewter trays, bronze and silver cigarette boxes, silver baby cups, and pewter beer steins.

Any of these would make a wonderful gift or just something to bring memories of your stay in Monterey at the Postgraduate School.

THE SAUNA BATH

In building 210 near the swimming pool there is the Sauna bath. The Sauna is a "Bath of very hot, dry air." Humidity is extremely low—only 7 or 8 percent, enabling you to withstand and enjoy temperatures from 175 degrees and up. Even at this temperature the dry air is much more comfortable than 120 degrees in water-saturated steam rooms.

Here is what happens when you go to the Sauna:

You are helped to relax completely. When you take a Saunabath, you can feel muscles begin to relax.

Because the humidity is low, there is surprisingly little sensation of heat, and no discomfort, as in a steam bath.

Perspiration is copious and the body is cleansed far more thoroughly than by ordinary soap and water bathing. A clean skin is essential to a fine complexion.

After 10 or 15 minutes in the Sauna, a shower or a dip in the pool brings a feeling of refreshment and pleasure beyond description. Following 10 to 20 minutes of showering or swimming, many people like to re-enter the Sauna room and repeat the cycle once or even twice more.

Hours are: 8:00 A.M. - 11:00 A.M. Ladies, 11:00 A.M. - 2:00 P.M. Men, 2:00 P.M. - 6:00 P.M. All.

ATTENTION ALL LADY GOLFERS

pros, duffers, and in between—we have something to crow about! As you may know, the Navy opened its new golf course on March 31. If you have not already taken advantage of this facility, now is the time to start swinging those clubs and enjoying the sunshine and the fun of the golf game.

Membership fees at the course are most reasonable. We have a fine pro, Mr. Joe Higuera, who gives excellent instructions and will be glad to help you with the selection of any new equipment you may need. The pro shop is nicely stocked, and many other items are easily available through special order.

Ladies' Day is each Thursday, with the tee reserved for the gals from 8:30-11 a.m. It is wise to call the pro shop (375-4663) in advance for starting times. For your fun in competition and in order to help all of us to better understand the game, a Ladies' Golf Association has been formed. At the first meeting, May 23, the following officers were elected:

Captain, Mrs. R. D. Risser, FR 3-2375.

Co-Captain, Mrs. C. O. Anderson, 375-2786.

Secretary-Treasurer, Mrs. L. H. Eding, FR 5-1147.

These officers will serve for six months with the following appointed chairmen on the board:

Tournament, Mrs. W. A. Gureck, FR 5-7786.

Rules, Mrs. B. N. Nishimura, MA 4-7129.

Handicap, Mrs. P. M. Wolff, FR 5-7344.

Hospitality and Social, Mrs. F. S. Coleman, FR 2-1960.

Telephone, Mrs. I. A. Olson, 375-4206.

Assistant Tournament, Mrs. J. W. Shong, 372-5330.

Please call any of the above for any information you might wish to have about the association.

The dues for membership in the association are \$1 for six months. Cards are available each Thursday from the secretary. Meetings will be held on the fourth Thursday of each month at which time the prizes for each Thursday of play in the preceding month will be awarded. A small entry fee will be charged each Thursday in order to pay for prizes.

We urge each of you to play as often as possible during the week and to post your scores in the handicap book; having a handicap in golf is just as important as it is in any other sport, so it is up to you to post those scores in order for our handicap chairman to go to work. Be sure to keep up with the news of your association by reading the bulletins in your locker room in the clubhouse, the sports page of the Monterey Herald and *The Classmate*.

We'll be looking for you Thursdays—and remember, Mickey Wright was once just a beginner!

Anyone for Tennis?

Sign ups are now being taken in the Recreation Office, phone extension 406 for a tennis tournament composed of men and their wives to be played during the latter part of July or early August.

Tennis Courts

There are two courts of championship quality located below the swimming pool for personnel attached to the Postgraduate School and their dependents. Two courts for military personnel and their dependents are located in front of the Administration Building. Dependents should give way to Naval personnel.

Tennis courts

Basketball Courts

Outdoor double court located opposite boiler house behind Crews' Barracks.

Volleyball

Two courts are located behind the boiler house. These courts are on the basketball court with removable uprights. One court at the Picnic Grounds.

Golf Course

The U.S. Naval Postgraduate School's brand new golf course is located in back of the Monterey Fair Grounds. It is a nine hole course but has two tees for each green and a full eighteen holes can be played by utilizing all eighteen tees. Active and retired military personnel, their dependents and guest are eligible to play on the course. Membership is open to all active and retired military personnel and their dependents.

The golf course has a beautiful club house with snack bar, lounge, ladies' and men's shower rooms, locker rooms and shoe storage facilities.

Golf Driving Range

Located adjacent to the club house. The range has the same hours of operation as the Golf Course and anyone eligible to use the Golf Course is eligible to use the Driving Range. A new ball dispenser has been added for the convenience of patrons of the range.

Golf Lessons

The golf professional, Mr. Joe Higuera, and his assistants are available for golf lessons. Lessons are on an appointment basis at a rate approved by the Superintendent. Youth program and group lessons are also available.

BOWLING NEWS

TUESDAY NIGHT LEAGUE

By Darlene Holmes

It was a fight to the finish, with three teams tied for second place as the final night of league competition commenced. The first place team was ahead of the second place teams by only three games and thus had a rough night in store for them also. Having been in first place during the entire season, it was evident the pressure was not off yet.

We had a very nice luncheon at Maxey's Chuck Wagon on Wednesday, June 5, and awarded the winners their trophies. Individual trophies went to Barbara Venezia for high average with 147; Ann Foltz for high series with 517; Joyce Hoskins for high game with 198; Kay Case for most improved bowler—she improved her average by 17 pins.

We would also like to express our thanks to our Secretary, Marilyn Geraldson, for a job well done.

First Place Team

BOWLING NEWS

THE NAVY WIVES COFFEE BOWLING

Although most of the bowling leagues have discontinued activities for the summer, many wives will be interested to know that there is one organized bowling group which will continue through the summer. The Navy Wives Coffee Bowling meets every Monday morning at 9:30 at Monterey Lanes. Usually three lines are bowled at 50 cents per line plus 50 cents for the "kitty."

Competition will be against your own average, with a prize sweeper given each week to the two people bowling highest over their own average.

If you have an established average or wish to establish one, join in the fun each Monday morning.

WEDNESDAY NIGHT LEAGUE

The USNPGS Wives Bowling League will be in full swing again this fall. The first meeting will be September 4 at 8:30 p.m. in the Nursery at the Cypress Bowl. The regular sessions will be on Wednesday evenings at 9 p.m. Anyone interested may call Billie Black, FR 5-3579, or Darlene Massa, FR 5-6685.

AROUND THE PENINSULA IN 80 DAYS

Start out in any given month of the year on our Calendar of events, fill in uneventful days with guided tours to historic buildings and monuments, side trips to scenic wonders such as the famous SEVENTEEN MILE DRIVE, rocky coast line from Carmel to Big Sur, the grandeur of the Santa Lucia Mountains, and pursuing the arts for which Carmel is traditionally famous, and 80 days would permit only a preview of pleasure that can be had during one's tour of duty at the USNPGS. Lucky for us, we don't have an 80 day tour! With a schedule of events beforehand, and the best laid plans of mice and men, there's time for the sportsman to enjoy hunting and fishing in rustic Carmel Valley, the nautical minded to sail (regattas to whet your appetite for it, if you don't), epicureans can languish in the bewitching atmosphere of Nepenthe (Greek word for "No sorrow"), a most unusual restaurant 29 miles south of Carmel and internationally famous for a gourmet menu of collectors' items, and rollicking folk dances. There are many other fine places for wining and dining, but we'll save a few surprises for you in future copies of *The Classmate* and tell all for those that really must eat. The adventurous will find it is possible for beach-combing, jade hunting, deep sea fishing, and skin diving.

Do you know, this is the golf capital of the world? Whether you are a duffer or pro, you now have the best golf courses in the world at your back door. This is the new home of the National Golf Association, and the site of many championship tournaments. The granddaddy of 'em all is the BING CROSBY INVITATIONAL held in January, and recommended for non-golfers as well as "Pro-Officer" types. Our own Navy course was opened in the spring this year, a very fine course and close enough to school to exercise caution when one tees off . . . save the windows in the Admin Bldg. Very convenient for 9 holes at lunch time.

This isn't New York, but we do have theaters! Musicals, plays, melodramas, and foreign film theaters . . . a section theater party is a must; don't miss the fun of a melodrama for old fashioned hissing and booing. Additionally, you'll find music is as much festival as Art now and for the first time, Leonard Bernstein's concert is scheduled in August (check Monterey Herald for time and reservations). Chamber music Bach, Jazz, and Folk festivals are annual attractions you won't want to miss. The best of each come here every year and the prices are ridiculously low.

Campers will find nothing to be desired at the many state parks (many are in very close proximity) and Special Services does a superb job equipping anyone in lack of gear . . . wonderful thing about camping here, you'll find it's not too pestulant and

Monterey Jazz Festival
Monterey Peninsula Herald

water and electrical facilities are excellent if you prefer not to be "unwashed."

If you have accomplished the above either wholly or in part, you'll notice time is starting to slip . . . probably you are at least one third through in school, but having learned to be organized in the beginning, you neither suffered from lack of social life, sleep, or academic achievement . . . That A Average is as strong as ever! You've still time to whip out to Del Monte Lodge on Pebble Beach to see such well known shows as the Concours d'Elegance (Vintage cars), National Dachshund Specialty Show, Del Monte Dog Show, and Equestrian Trials, to name only a few. Laguna Seca is the site of the INTERNATIONAL GRAND PRIX

Sailing Regatta
J. P. Graham photo

sports car race in October . . . lots of fun even if you happen to be rattling around in an old '62 Apollo. And if you are just "rattling around" some day, include the Steinbeck locale for "Cannery Row" an area in Monterey, just south of Fisherman's Wharf in the itinerary. Don't forget, "Doc's Western Biological Laboratory" at 800 Ocean View. Probably you'll want to jaunt on down to San Simeon for a tour of the fabulous Hearst Castle, and en route you'll pass Hopkins Marine Laboratory which is worthwhile, as is the Carmelite Monastery. An unusual experience is to hear the nun's choir chanting for this service as they kneel hidden behind the altar; Sunday 5 p.m. only.
